**Age: Newborn and up**

## What's needed

Clear plastic sheet protector  
String  
Crayons or markers  
Paper  
Pictures from magazines (optional)

## What to do

1. Take a clear plastic sheet protector made for a 3-ring notebook.
2. Tie it securely to the side of the crib by running string through the pre-made holes. Make sure the string is short enough so babies can not get it around their necks.
3. Find or draw simple pictures such as:
  - a face
  - stripes
  - a bull's-eye
  - a checker board
  - magazine pictures
4. Put one picture inside the plastic sheet so babies can see it. Change pictures often.
