

Autumn Tree

Age: 2-5 years

What's needed

Cardboard toilet paper or paper towel tube
Paper scraps
Markers
Paint
Tissue paper or autumn leaves collected on a nature walk

What to do

1. Stand a cardboard toilet paper or paper towel tube on one end.
2. Children can create colored leaf shapes with paint, paper, crayons, markers, wadded tissue paper, leaves, or other items to glue onto the tube, making an autumn tree.

What children will learn

Nature, creative expression
