

Bake Cookies

Age: 2 years and up

What's needed

Simple cookie dough recipe
Rolling pin
Wooden spoon
Cookie cutters (optional)

What to do

1. Bake cookies with the children by using any simple cookie dough that the children can help you measure and mix.
2. Children can stir, roll out, and use cookie cutters on the dough.
3. Sugar cookies and gingerbread cookies are easy to make and bake.
4. The cookies can also be decorated to suit the season.

What children will learn

Measuring; following directions; creative expression; group work
