**Block Towers**

**Age:** 2 years and up

**What’s needed**
- Blocks
- Crayons, pencils or markers
- Paper
- Chalk (optional)

**What to do**
1. Ask children to make a block tower as high as they possibly can.
2. Compare heights of the towers.
3. Draw the outlines of the towers, cut them out, hang them up. Or lay the blocks on the sidewalk and trace around the tower with chalk.

**What children will learn**
- Large and small motor skills, comparison skills
