

Build an Igloo

Age: 2 years and up

What's needed

A snowy day outside
Shovels
Warm winter clothing (jackets, gloves, snow boots, etc.)

What to do

1. Find a snow pile made from plowing or shoveling snow.
2. Dig an "igloo" into it, or make a snow tunnel all the way through the pile.
3. Compare it to a real house or an animal's den.

What children will learn

Comparisons; large motor skills
