

Chalk Swirling

Age: 3-6 years

What's needed

Lightweight typing paper
Cake or pie pans
Colored chalk
Scissors or popsicle sticks
Hair spray

What to do

1. Fill cake or pie pans with 1-2 inches of warm water.
2. Have children scrape chalk with scissors or popsicle sticks, letting scrapings fall onto surface of water.
3. Have them drop a piece of light paper onto water surface.
4. Pick up paper quickly. Chalk will adhere to surface.
5. Spray with hair spray to preserve painting.

What children will learn

Creative expression; small motor
