

Clothing Mobile

Age: 3 years and up

What's needed

Old magazines or catalogs
Paper
Crayons or markers
Hole punch
String
Scissors
Hanger or twig

What to do

1. Draw and cut out (or find pictures in old magazines and catalogs) pictures of winter or summer clothing needed for outside.
2. Punch holes in the pictures and hang in top-to-bottom order on a long piece of string or yarn from a hanger or twig.
3. Children can compare their clothing for the day to what is on the mobile—do I have a hat, mittens, jacket, scarf, snow pants, and/or boots for today?

What children will learn

Comparisons; large motor skills; fine motor skills
