

Finger Paint With Mud

Age: 2 years and up

What's needed

Mud
Large pieces of paper

What to do

This activity is a good one to do outside on a warm, sunny day.

1. Mix a shovel or two of dirt with enough water to make mud the consistency of finger paint.
2. Allow children to explore with hands, feet, or twigs.
3. Allow them to paint with the mud on sidewalk or on large pieces of paper.
Make handprints and feet prints of mud!

CAUTION

Make sure children have “messy” clothes on.

What children will learn

Texture awareness, creative expression
