

Foam Baby Buddies

Age: 3 years and up

What's needed

Styrofoam balls (one for each person)
Toothpicks
Pipe cleaners
Feathers
Sticks, etc.
String or yarn (optional)

What to do

1. Give each person a Styrofoam ball and a selection of materials.
2. Poke materials in the ball to create a "buddy."
3. Hang from string or yarn to display, if desired.

Variations: Draw or paint on the "buddies."

What children will learn

Sculpture, creative expression
