

# Get on the Circus Train

Age: 3 years and up

## What's needed

Shoe box decorated like a train car, or a toy train car  
Small toy circus animals

## What to do

1. Set up boxes and animals at a small table.
2. Place animals on and around "train" and talk about where the animals are.
3. Ask each child to place an animal in a particular place, i.e. in front of, on top of, inside, behind, next to, etc.

## What children will learn

Spatial relationships
