Old phone or toy phone

## What to do

1. Have children take turns dressing up as or pretending to be a police officer. Use an old phone or toy phone to pretend to dial 911.
2. The other children can give “information” to the police officer—where they live, what their name is, and what has happened in a pretend emergency.
3. Children can talk about what a police officer does, and how the police try to help people and children in emergencies.

Social skills, basic life skills, dramatic play
