

Magazine Family Puppets

Age: 1 year and up

What's needed

Old magazines or catalogs
Glue
Cardboard or poster board
Popsicle sticks

What to do

1. Collect pictures of people from magazines or catalogs.
2. Glue them to pieces of cardboard or poster board, and then glue a popsicle stick to the back to make a puppet.
3. Use the Magazine Family Puppets to make up stories and situations with children.
4. With older children, start a story and let them finish it.

What children will learn

Language, storytelling, creativity
