

# Nature Wreath

**Age: 3 years and up**

## What's needed

Nature items from outdoors  
Glue  
Cardboard or heavy paper  
Scissors  
String  
Glitter (optional)  
Ribbon (optional)

## What to do

1. Take a walk where each child gathers natural items to bring back.
2. Have children sort the items into types and then glue the items onto a wreath shape (cardboard or heavy paper) for a celebration of the season, the holiday, or a special day such as a birthday.
3. Glitter can add sparkle and a bow can add color.

## What children will learn

Small motor skills, science skills, sorting skills
