

# Paper Bag Puppets

**Age: 3 years and up**

## What's needed

- Paper bags (lunch size)
- Glue
- Small items to decorate the bag
- Crayons or markers

## What to do

Children can turn a lunch-sized bag into a puppet by adding glue-on items or by using crayons or markers. By putting their hands into the opening of the bag, children can animate their creations.

## What children will learn

Small and large motor skills; creative expression; language
