

Personal Snow Pals

Age: 3 years and up

What's needed

Newspapers or white paper
Yarn
Fabric or color paper scraps
Tape or glue

What to do

1. Have children crumple newspapers into balls.
2. Glue or tape the balls together to make a snow pal.
3. Have children decorate the snow pal with yarn and fabric scraps. Secure with tape or glue.
4. Encourage children to create any type of animal sculpture. Other collage materials such as feathers, cotton balls, fabric scraps and yarn can be used with these sculptures.

What children will learn

Sculpture, creative expression
