

Pull-Away Pictures

Age: 4-9 years

What's needed

Scissors
Construction paper
Chalk
Hair spray

What to do

1. Have children cut or tear a shape from construction paper.
2. Put the shape on another piece of construction paper and hold in place.
3. Place side of chalk on torn-out shape and pull across edge of shape on construction paper. Repeat around the entire shape.
4. Lift shape carefully. There will be a chalk outline on the paper.
5. Spray with hair spray to keep the chalk on the paper.

Variation: Use a variety of items to make the shape, such as leaves, feathers, cloth, etc.

What children will learn

Creative expression
