

Safety Game

Age: 2 years and up

What's needed

Colored paper (red, green and yellow)
Scissors

What to do

1. Cut three circles from colored paper; one red, one green, and one yellow.
2. Ask one child to be the traffic light, and hold up the green, then yellow, then red light. As the child does this, other children are moving, then slowing, then stopping according to the light. Link this to traffic lights and safety on the crosswalk.

What children will learn

Traffic safety skills, large motor skills
