

Seasonal Clothing Activity

Age: 2 years and up

What's needed

Clothing (different seasons)
Magazines, advertisements, catalogs
Scissors

What to do

1. Compare clothing that children wear during summer, fall, winter, and spring.
2. Have samples of all seasons' clothes for children to sort into piles representing the specific season that article of clothing is used for.
3. Cut pictures of different seasons' clothing out of magazines, advertisements, and catalogs and sort or compare the pictures.

What children will learn

Math skills; sorting; comparing
