

# Styrofoam Sculptures

Age: 3-6 years

## What's needed

Various pieces of Styrofoam  
Toothpicks, straws or pipe cleaners  
Markers  
Glue  
Cloth scraps  
Paper scraps

## What to do

1. Provide a variety of Styrofoam shapes for children.
2. Let them create sculptures by attaching the various pieces with toothpicks, drinking straws, or pipe cleaners.

### CAUTION

**This activity is not recommended for children under 3 years old because of the small items that can be swallowed.**

Variation: Add markers, glue, felt, paper scraps, etc., so that children can decorate their sculptured creations.

## What children will learn

Creative expression, eye-hand coordination, small muscle development
