What’s That Sound?

Age: 2-5 years

What’s needed

- Various items that make a sound (bell, paper bag, rattle, drum, etc.)
- Screen or blanket

What to do

1. Put a bell, paper bag, baby rattle, tambourine, drum, or any other noise maker behind a screen or behind a blanket.
2. Ask children to guess what you have behind the screen.

What children will learn

- Listening, problem solving
