

Winter Animal Tag

Age: 2 years and up

What's needed

No materials needed.

What to do

1. Play a game of tag where the child who is "it" must move like an animal you see in winter in your area.
2. You may need to suggest animals for younger children.
3. Discuss the types of animals in your area, or read a book about winter animals before or after the game.
4. You can try this activity at different seasons.

What children will learn

Large motor skills, science skills
